Traverse

ISA Art & Design is honoured to present Traverse, an exhibition of Indonesian artists featuring works from three distinct generations. From the seventeen participating artists, there are : **A.D Pirous, Agus Suwage, Arahmaiani, Bandu Darmawan, Dini Nur Aghnia, Dolorosa Sinaga, Handiwirman Saputra, I GAK Murniasih, Jeffi Kefas Manzani, Luh Gede, Monica Hapsari, Oky Rey Montha, Talitha Maranilla, yaya Sung.** We also proudly contributing this exhibition for Art Moments Jakarta Online (AMJO), Jakarta's first hybrid art fair.

Traverse will launch on 4 June, 2021, at ISA Art and Design, Wijaya Timur Raya No.12, Jakarta. This residential-style gallery provides a warm reception and comfortable environment in which the gallery visitors may enjoy the artworks. The semi-enclosed space means that the viewers will be able to completely immerse themselves in the exhibition, surrounding themselves with the creations of some of Indonesia's finest artists.

This exhibition is a journey of sorts; the collection traverses the bounds of time, material, and convention. Each artist is multi-disciplinary and diverse in their ideas and talents both. The works in this exhibition present 3 cross-generations of multi-disciplinary works, and a diversity of ideas. **Traverse** of boundaries becomes a space for examining each artist practice and an analysis and comparison where public can benefit from this exchange of ideas.

Indonesian contemporary artists are embracing this new form of art-making, no longer limiting themselves to what the convention dictates, expressing their ideas in new, ingenious ways. We hope to bring an appreciation for the artist's work in creating and exploring, Traverse of Boundaries as a way of expanding their network and career trajectory in the art world.
