

I Made Dabi Arnasa, known as Dabi, is a Balinese artist based in Yogyakarta and a graduate of the Indonesia Institute of Art (ISI). His practice explores the surreal nature of dreams, drawing from personal and collective experiences to create imagery that blurs the line between the familiar and the uncanny. Rooted in the Balinese concept of *rwa bhineda*—the harmony of opposites—his work embraces contradiction and duality. His debut solo exhibition, *Cabinet of Dreams* (Art Moments Jakarta 2022), introduced this dream-inspired visual language.
